

# COVE NEWS

MARCH 2021

SUMMER HOURS – Monday through Thursday 7 am to 6:45 pm – Friday through Sunday 6 am to 8:45 pm

## DAYLIGHT SAVINGS TIME...

Get ready to spring forward as we set our clocks forward on Sunday March 14th to extend daylight savings time. At Palm Cove Marina as we always do this time of year, we will be moving our service hours for the dry storage and the fuel dock. Sunday March 14th our new hours will be Monday through Thursday 7 AM to 6:45 PM and Friday through Sunday 6 AM to 8:45 PM.

## CONGRATULATIONS...

PCM is proud to announce that Rich Davis, Loyd Terry, Chester Alderman, Robert Haugland, William Porter and Kevin Pomper have all been awarded certificates of Achievement of OSHA training for the safe operation of our forklifts.

## CLEANING UP DRY STORAGE

We continue to keep Palm Cove Marina a safe and clean environment.

Any customers that have personal belongings they cherish and would like to keep.... Please remove them from our dry storage building by 4/1/21

## DRY STORAGE CUSTOMERS, PLEASE HELP US HELP YOU!!

When calling the dry storage phone, if your forklift operators don't answer your call please leave a detailed message, our operators retrieve these messages every few minutes. This request will actually speed up our process.

Please limit your time to 30 minutes on both the B-Dock and our wash racks. We encourage you to spend as much time as you wish in any open wet slip, please make sure there are no electrical cords, dock lines, water hoses or bumpers in your wet slip choice, please check with our staff for availability. Keep in mind our forklift and ships store will stop 15 minutes before the posted time.

**FUEL PRICES...**Our goal is to have the LOWEST fuel prices in the surrounding area.

For a complimentary vessel safety check, call Andy Koenig at 989-400-2173

## MARINE SERVICE

SUMMER is here!

Don't be fooled by imitation non certified marine technicians.  
Get your vessel serviced by (THE REAL DEAL) certified techs at Isle of Palms. We are certified in Mercury outboards, Mercruiser stern drives, Yamaha outboards, Volvo Penta stern drives and Evinrude outboards. There is a difference.

We use genuine OEM parts.
